\* Course Equivalency /General Notes:

- Program Elective application is dependent upon program director approval and is only possible in multiples of 3 semester hours.
- Credit awarded is subject to ACE recommendations at the time of completion and program director review. Any courses not included in this agreement will be reviewed for transfer credit based on the recommendations provided by CSU program directors.
- Many TEEEX programs are eligible for TCFP, Pro Board, and IFSAC certification; however, transfer credit will only be possible from 1 source. Duplicate transfer credit is not permitted.
- Credit awarded is subject to degree requirements at the time of enrollment and current transfer credit policy, which are subject to change.
- CSU is in the process of converting to new course numbers and anticipates completion by the end of 2023.

\*\* Paramedic Credit Notes:

- Only the most advanced EMS certification will be considered for transfer to CSU degree program.
- Texas State or NREMT license and the TEEEX training log must be submitted for possible transfer credit to undergraduate CSU degree programs.
- Admission to the Associate of Science in Emergency Medical Services degree program and possible paramedic transfer credit to the Paramedic Core category will be considered with an active state or NREMT Paramedic license.
- Paramedic transfer credit is possible in the Open Electives category, if required, of other undergraduate CSU degree plans.
- Credit awarded is subject to degree requirements at the time of enrollment and current transfer credit policy, which are subject to change.
