SOCI 100: Introduction to Sociology	3	SOC 1301: Introduction to Sociology	3
SOCI 103: Canadian Society	3	Social and Behavioral Sciences	3

* Equivalency/General Notes:

- AC courses designated to fulfill a CSU General Education requirement must meet the current requirements for the designated degree category. Credits from courses that do not meet category requirements or exceed category requirements may apply as Open Electives, where applicable. English Composition and Mathematics courses require a grade of C or higher.
- Transfer courses must match the credit hours of the CSU equivalent; any excess credit may be applied to Open Electives, if applicable.
- Duplicate transfer credit is not accepted; each course may only be applied once toward degree requirements.
- Transfer credit will be awarded based on CSU degree requirements at the time of enrollment, current transfer credit policy, and applicability to the student's degree plan, all of which are subject to change.

* Transfer Pathway General Notes (Tables 1 and 2):

- The CSU bachelor's degree program included in this pathway requires a minimum of 120 credit hours for degree completion. Up to 90 credits from approved sources may be applied toward the degree, subject to CSU transfer credit policy and degree requirements.
- AC courses designated to fulfill a CSU General Education requirement must meet the current requirements for the designated degree category. Credits from courses that do not meet category requirements or exceed category requirements may apply as Open Electives, where applicable. English Composition and Mathematics courses require a grade of C or higher.
- Transfer courses must match the credit hours of the CSU equivalent; any excess credit may be applied to Open Electives, if applicable.
- Duplicate transfer credit is not accepted; each course may only be applied once toward degree requirements.
- Transfer credit will be awarded based on CSU degree requirements at the time of enrollment, current transfer credit policy, and applicability to the student's degree plan, all of which are subject to change.
- The total transfer credit amount assumes maximum AC general education transfer toward CSU general education requirements. The actual transfer credit awarded, and therefore the number of credit hours remaining to be completed at CSU as reflected in Table 2, will be based on courses successfully completed at AC for which there is a CSU equivalent and may be more or less than the transfer credit hours shown in Table 1.

<i>Choose four courses, 12 credits, from CSU's Program Electives course options for CSU's BS Psychology degree plan.</i>	12
English Composition	3
ENG 1302: English Composition II	3
History	3
<i>Choose one course, 3 credits, from CSU's History course options for CSU's BS Psychology degree plan.</i>	3
Mathematics	3
MAT 2301: Elementary Statistics	3
Open Electives	36
<i>Choose twelve courses, 36 credits, from CSU's undergraduate course options not already used to satisfy other requirements in CSU's BS Psychology degree plan.</i>	36
TOTAL	90

* Transfer Pathway General Notes (Tables 1 and 2):

- The CSU bachelor's degree program included in this pathway requires a minimum of 120 credit hours for degree completion. Up to 90 credits from approved sources may be applied toward the degree, subject to CSU transfer credit policy and degree requirements.
- AC courses designated to fulfill a CSU General Education requirement must meet the current requirements for the designated degree category. Credits from courses that do not meet category requirements or exceed category requirements may apply as Open Electives, where applicable. English Composition and Mathematics courses require a grade of C or higher.
- Transfer courses must match the credit hours of the CSU equivalent; any excess credit may be applied to Open Electives, if applicable.
- Duplicate transfer credit is not accepted; each course may only be applied once toward degree requirements.
- Transfer credit will be awarded based on CSU degree requirements at the time of enrollment, current transfer credit policy, and applicability to the student's degree plan, all of which are subject to change.
- The total transfer credit amount assumes maximum AC general education transfer toward CSU general education requirements. The actual transfer credit awarded, and therefore the number of credit hours remaining to be completed at CSU as reflected in Table 2, will be based on courses successfully completed at AC for which there is a CSU equivalent and may be more or less than the transfer credit hours shown in Table 1.
