About CSU

Robert Mayes • PRESIDENT

One of the nation's first completely online universities, CSU was developed to help military, firefighters, police, and others with demanding and unpredictable schedules realize their full potential.

OUR MISSION

Columbia Southern University (CSU) was established as a comprehensive academic institution of higher learning. CSU offers a wide range of quality academic programs that promote the development and the application of acquired knowledge. Central to our goal of training tomorrow's leaders is the acquisition of problem solving skills and the maturation of both intellect and

character. Our programs are offered through distance learning in a flexible format that makes it possible for working adults to achieve their educational goals. CSU staff and faculty are committed to providing our students the very same personalized service that has been and will remain the hallmark of this institution.

THE PROGRAMS

Associate of Arts Degree

- General Education

Associate of Applied Science Degrees:

- Business
- Criminal Justice Administration
- Fire Science

Bachelor of Science Degrees:

- Business Administration (BSBA)
- Criminal Justice Administration
- Environmental Management
- Fire Science
- Health Care Administration
- Hospitality and Tourism
- Human Resource Management
- Information Technology
- Marketing
- Occupational Safety and Health
- Psychology

Master Degrees:

- MBA
- MS Criminal Justice Administration
- MS Occupational Safety and Health

Doctor of Business Administration

For details on the DBA Program, visit our website and/or request a DBA catalogue.

Concentrations:

- BSBA/MBA Finance
- BSBA/MBA Human Resource Management
- BSBA/MBA Hospitality and Tourism
- BSBA/Information Technology
- BSBA/MBA International Management
- BSBA/Management
- BSBA/MBA Marketing
- BSBA/MBA Project Management
- BSBA/MBA Sport Management
- MBA/E-Business & Technology
- MBA/Health Care Management
- MBA/Public Administration
- BS/OSH Fire Science
- MS/OSH Environmental Management

Certificate Programs

CSU offers undergraduate, advanced undergraduate and graduate certificate programs. CSU also offers a Certificate Course in Industrial Hygiene Management.

(Details on page 33)

PERSONALIZED SERVICE

Beginning with your initial contact, you'll find that our personalized service is second to none. Faculty and staff are dedicated to the principle that it is only through your success that we succeed. We are readily available to assist you with information from the application process to graduation requirements.

OPEN ENROLLMENT

Begin courses at anytime and study when it best fits your schedule. At CSU, there are no predetermined semester or session dates to contend with.

SELF PACED PROGRAMS

With CSU, you can set your own pace for completing your degree program. Students are allowed 10 weeks to complete each course, but may finish a course in as little as three weeks depending on how quickly you complete the coursework. Following the required Student Orientation course, you are also given the option to complete one course at a time or two courses simultaneously.

FLEXIBLE LEARNING

Forget the days of scheduled online sessions and on-site test taking! At CSU, residency is not a requirement and coursework can be completed at times that are most convenient for you. Faculty and staff offer flexible individualized instruction designed to provide each student with the guidance and support necessary for successful course completion.

COURSE STRUCTURE

All CSU courses are offered completely online and combine the very best of online delivery and traditional university textbooks. Each course includes a course syllabus, assignments and open book exams.

CLASSROOM OF ONE

Once you enroll, you will be assigned a student services representative who will offer you personal guidance and advice throughout your degree program. Course specific faculty members are also assigned at the beginning of each course to provide you with the academic support you need to successfully complete your degree.

VALUE

When comparing quality and cost—CSU is your best option. Our tuition is competitively priced to make achieving a quality education affordable and realistic for the average person. Federal Financial Aid and military educational benefits are also available for eligible participants.

ACCREDITATION AND RECOGNITION

Columbia Southern University is an accredited member of the Distance Education and Training Council (DETC). The accrediting commission of the DETC is listed by the U.S. Department of Education as a nationally recognized accrediting agency and is a recognized member of the Council for Higher Education Accreditation (CHEA). CSU is also licensed by the Department of Postsecondary Education, State of Alabama.

The Board of Certified Safety Professionals accepts CSU degrees for both the CSP application and for credit towards recertification in the Continuance of Certification program.

Faces of CSU

“I could have marched across nearly any stage in America, some more prestigious than others, some more well known than others. I choose this stage because it was only CSU that has made my dream my reality.”

***E. Lavern Dowdy,
BS, Environmental
Management, 2007***

***Alan Jones
Killeen, TX***

...HE'S EARNING HIS DEGREE, EVEN WHILE DEPLOYED OVERSEAS.

Alan Jones is currently on his third tour of Iraq and at the same time working towards a bachelor's degree in fire science from CSU. For the past seven years, Jones has served in the U.S. Army and currently holds the title of Chemical, Biological, Radiological, and Nuclear Non-Commissioned Officer. Jones picked a degree in fire science to gain knowledge about the fire field so that when he leaves the army he can become a firefighter. With his experience gained in the military and a degree from CSU, Jones knows he will have no trouble finding a job.

“Having a degree gives employers a reason to give you a chance to prove your skills,” Jones said. “If you do get the job, you're still the new guy; but you're the new guy with a degree backing you up.”

Since beginning his education with CSU, more doors have opened for Jones. A professional accomplishment Jones has achieved in the military based on having college experience is being promoted to staff sergeant.

***Jamie Gauthier
Scotts Valley, CA***

... HE PURSUED HIGHER EDUCATION TO ENHANCE HIS PERSONAL AND CAREER LIFE.

Jamie Gauthier knows that sometimes education trumps experience. After being passed over for a position he had the experience for, but lacked the degree, he made the decision to pursue higher education.

Gauthier completed his first degree, a bachelor's degree in business administration, with CSU cum laude in 2003. He graduated from the CSU MBA program two years later with a 4.0 GPA.

Since securing his degrees with CSU, Gauthier's career has taken off. The Scotts Valley Police Department he works for offers education-based salary incentives, giving Gauthier a pay raise. He was also promoted at his department to adult detective. After earning his master's degree, he was qualified to serve as an adjunct professor for two colleges where he now develops and teaches online courses.

“I owe my academic and professional success to CSU,” Gauthier said. “CSU offers high quality programs and other outstanding resources that help thousands of people around the world accomplish their educational dreams.”

CSU allows maximum transfer credit for your prior academic credits, training and relevant professional licenses and certifications. Up to 75 percent of undergraduate courses and 50 percent of graduate courses can be transferred into your degree program at CSU.

EVALUATION

CSU will conduct a comprehensive evaluation of your application. Please allow at least seven to ten business days for us to provide you with a detailed evaluation report. This report will outline those courses we have determined you should take and those which we have accepted for transfer credit.

ACADEMIC CREDIT

CSU accepts transfer academic credit from institutions accredited by agencies recognized by the U.S. Secretary of Education and/or the Council for Higher Education Accreditation (CHEA). For prior undergraduate academic credit to be eligible for transfer grades earned must be a "C" or higher. However, a maximum of three courses in which a "D" was earned may be considered during the admission process. "D's" are not accepted as transfer credit for English Composition I, II or their equivalent. For prior academic credit to be eligible for transfer at the master's degree level, grades earned must be a "B" or higher. However a maximum of one course in which a "C" was earned may be considered for acceptance.

PROFESSIONAL LICENSES, CERTIFICATES, AND TRAINING PROGRAMS

CSU uses guidelines established by the American Council on Education (ACE) to determine if certain training

programs, certificates, professional licenses, and/or military training warrant awarding academic credit.

TRANSFER CREDIT BY EXAMINATION

CSU accepts credit by examination from the following:

The College Level Examination Program (CLEP)

Defense Activity for Non-Traditional Education (DANTES)

TRANSCRIPT REQUEST SERVICE

Let us do the work! For only \$10, We'll request your transcript for you. At CSU, we understand that you have a life. We want to help you live it while accomplishing your dreams of higher education. That's why we now offer a transcript request service that allows us to do the legwork for you. For \$10 per transcript request, we will contact the prior colleges and/or universities you've attended to secure all the transcripts needed to make sure you receive maximum transfer credit. Call us today or visit the admissions section of our website to learn more.

EXPERIENTIAL LEARNING

CSU no longer offers credit for experiential learning for the following reasons:

- After learning of the criteria required to assemble a Prior Learning Portfolio, most students elected to take the required course instead.
- After spending a great deal of time and effort, students that did attempt to assemble a Prior Learning Portfolio became discouraged and dissatisfied when their Portfolio was rejected.

“ It's never too late to learn. One of my lifelong aspirations has been to complete my degree and thanks to CSU, I'm almost there. ”

Forney Howard

BS, Fire Science

Military Matters

“I can earn my education whether I am at home or deployed overseas.”

Andre Bowers,
Master's Degree in Business Administration

ACCELERATE YOUR FUTURE. EARN YOUR DEGREE ONLINE.

Recognized as one of the top 30 schools for military education by Military Advanced Education, more than half of students enrolled at CSU are members of the U.S. military. Completely online programs, open enrollment, flexible courses, and affordable tuition allow Servicemembers to achieve a quality education while preserving our nation's freedom.

All active-duty and retired Servicemembers receive an application fee waiver. Immediate family receives the waiver and a 10 percent tuition discount.

CSU is a member of GoArmyEd, Servicemembers Opportunity Colleges (SOC) and AU-ABC.

GOARMYED

Few other colleges and universities have been invited to participate in the U.S. Army GoArmyEd initiative that allows active duty soldiers to request TA online. This dynamic online portal automates many of the paper-based processes historically conducted with Army Education Counselors. If you are currently enrolled at CSU or are planning to apply, please visit GoArmyEd to set up your account and to learn more about how to take advantage of your TA benefits.

SERVICEMEMBERS OPPORTUNITY COLLEGES (SOC)

SOC is a consortium of more than 1,800 colleges and universities that provide educational opportunities for Servicemembers and their families. SOC is cosponsored by the American Association of State Colleges and Universities (AASCU) and the American Association of Community Colleges (AACC) in cooperation with 13 other educational associations, the Military Services, the National Guard, and the Coast Guard.

AIR UNIVERSITY ASSOCIATE-TO-BACCALAUREATE COOPERATIVE (AU-ABC)

CSU is one of few universities that have enrolled in the Air University Associate-to-Baccalaureate Cooperative (AU-ABC). This initiative allows Airmen to transfer at least 60 credit hours of the Community College of the Air Force (CCAF) degree into a bachelor's degree program. The accelerated program requires no more than 60 semester hours to complete a bachelor's degree with CSU and will be offered in a completely online format.

Through the AU-ABC Program, registrants who are active duty Air Force, Air Force Reserve or Air National Guard are eligible to participate in the AU-ABC Program. Prior Air Force service members who have completed their associate's degree through the CCAF are also eligible to transfer in all 60 credit hours into a bachelor's degree program. For more information, including available degree programs, please visit the Air Force Virtual Education Center on the Air Force Portal.

Military Educational Benefits

CSU is approved to offer Tuition Assistance (TA), DANTES, and Veterans Affairs (VA) benefits. Additional education funding is available to those approved for TA and eligible for MGIB-Active Duty benefits. In most cases, these benefits cover the entire cost of your program. You can complete eight undergraduate courses or six graduate courses annually without exceeding the DoD annual ceiling of \$4,500. The CSU tuition rate for undergraduate and graduate courses is below the DoD semester hour cap of \$250.

TUITION ASSISTANCE/ DANTES

Tuition assistance is available to all active duty, active Guard/Reserve, and military and civilian personnel of the Army National Guard through the Defense Activity for Non-Traditional Education Support (DANTES). Tuition assistance will cover 100 percent of tuition costs for the majority of active duty service members. Each branch of service has established an annual cap for tuition assistance.

Reserve component members are also eligible for tuition assistance under this policy. However, each service component has established specific guidelines, limits, and policies for their members that may be different than the typical active duty policy.

If you are in the military and would like to learn more about DANTES, call (850) 452-1111 or visit <http://www.dantes.doded.mil>.

VA BENEFITS

Students using VA Benefits must enroll through the CSU Term Enrollment System which offers a term starting each month. Tuition is due at the time of registration and benefits will be paid directly to the student by VA. In order for CSU to process a registration for students utilizing VA/GI Bill benefits, all required forms must be submitted to VA and CSU. This will help ensure that benefits are paid in a timely manner. For information on the forms required to be submitted to VA, visit the Veterans Online Application Website (VONAPP) at <http://vabenefits.vba.ba.gov>.

Most Commonly Required Forms

VA Form 22-1990

Application for Education Benefits

VA Form 22-5490

Application for Survivors and Dependents Educational Assistance

VA Form 22-1995

Application for Change of Program or Place of Training

VA Form 22-5495

Application for Change of Program or Place of Training, Survivors and Dependents Educational Assistance

In addition to the above list of forms, students that have been discharged will also need to submit DD Form 214. If you have additional questions regarding VA/GI Bill benefits, please contact the CSU Admissions Department.

“ I first heard of the distance learning programs at CSU through another soldier in my unit. I thank him every time I get the chance because your university has changed my life. ”

E. Lavern Dowdy,
BS, Environmental
Management, 2007

Tuition and Financing

When comparing quality and cost—CSU is your best option. Our tuition is competitively priced to make achieving a quality education affordable and realistic for the average person.

TUITION & FINANCING

<i>Tuition*</i>	<i>Per Credit Hour</i>
Undergraduate.....	\$185.00
Graduate.....	\$250.00
Doctorate	\$295.00

**A tuition rate increase will go in effect September 1, 2008.*

TUITION REFUND POLICY

If CSU is notified of cancellation within five calendar days of the day the enrollment agreement was signed/ submitted, all money paid to CSU will be refunded. All students withdrawing after five calendar days will be charged a 20 percent registration fee. The remaining tuition will be refunded based on the course start date and the tuition percentage amounts listed below:

1st week—80%	4th week—20%
2nd week—60%	5th week—0%
3rd week—40%	

CSU BOOK GRANT

Through this grant, text books are provided at no charge. CSU will automatically ship new or used textbooks to the student after processing the Per Course or Term Enrollment Agreement. If the same textbook is used in more than one course, the textbook will only be provided once. The grant covers the cost of ground domestic shipping only. Students must pay in advance for additional costs associated with other shipping options.

PAYMENT OPTIONS

Several different payment options are available including Per Course Enrollment full payment, Per Course Enrollment payment plan, Term Enrollment payment, military educational benefits, corporate direct billing, credit based loans, or Federal Financial Aid.

FEDERAL FINANCIAL AID

Federal Financial Aid offers grant and loan programs administered by the U.S. Department of Education. CSU

participates in the following grant and loan programs.

FEDERAL GRANTS

Pell Grants—Undergraduates Only

Pell grants are awarded solely on demonstrated financial need to every eligible undergraduate student who hasn't already earned a bachelor's or professional degree.

Academic Competitiveness Grant (ACG)—1st and 2nd Year

Undergraduates Only—The ACG is a need and merit based grant that does not need to be repaid.

National Science and Mathematics Access to Retain Talent Grant (SMART)—3rd & 4th Year

Undergraduates Only—The National SMART Grant program is a need and merit based program intended to encourage students to enroll in college majors in physical, life, and computer sciences; engineering; technology; mathematics; and certain foreign languages.

FEDERAL LOANS

Federal Family Education Loans—

The U.S. Department of Education administers the Federal Family Education Loan program which generally consists of Stafford loans (for students) and Parent Loan for Undergraduate Students (PLUS) loans (for parents).

Stafford Loans—Stafford loans are available both as subsidized and unsubsidized loans.

PLUS Loans—Undergraduates Only

— Federal PLUS loans enable parents with good credit histories to borrow money to pay the educational expenses of their children.

Graduate PLUS Loans— A graduate PLUS loan is a non-need credit based loan similar to a private student loan, but with the benefit of having a fixed interest rate and federal guarantee.

At Columbia Southern University, we have an open admission policy. Applications and enrollment are accepted throughout the calendar year.

ADMISSION REQUIREMENTS

Requirements for admission into our degree programs include:

Undergraduate Programs—High School Diploma or GED

Master Degree Programs—Accredited Bachelor's Degree

Doctoral Program—Accredited Master's Degree in Business and Two Years of Experience in a Business Related Field

Applicants who are citizens of a country where English is not the primary language are required to submit one of the following prior to admission:

Test of English as a Foreign Language (TOEFL)

A minimum of 500 in the paper-based version, 173 in the computer-based version, or 61 in the internet-based version of the TOEFL is required for admission.

International English Language Testing System Exam (IELTS)

A minimum of 61 in the internet-based test or a Band 5 or higher on the IELTS.

Please visit www.columbiasouthern.edu/admissions for more information. CSU course materials and instructions are provided only in English.

THE ADMISSION PROCESS

Step 1

Complete the application for admission located in the back of this catalogue, or submit your application online by visiting www.columbiasouthern.edu. Please submit your academic transcripts along with your application.

Step 2

CSU will conduct a comprehensive evaluation of your application and provide you with a detailed evaluation report. This report will outline courses you need to complete, transfer credit accepted, and any additional information or documentation deemed necessary.

Step 3

Contact the admissions department or visit our website (www.columbiasouthern.edu) to enroll. Our open enrollment allows you to begin your program at anytime. The CSU Admissions Department will walk you through the process of enrolling and registering for your first course.

QUALITY SERVICE

Apply now with no obligation to enroll and you will experience our quality service firsthand.

“ I travel often and Columbia Southern University travels with me. Having the benefit of a classroom without walls allows me to travel, attend class and not miss a single lesson. ”

Brian Edwards

BS, Business Administration, 2002

MBA, Business Administration, 2004

Getting Started

F. Poche Waguespack, MS
DEAN OF STUDENTS

“Intellectual growth should commence at birth and cease only at death.”

Albert Einstein

Fitting an education into your already busy schedule is not easily done, but it is possible. Our completely online programs are designed with the flexibility you need to fit your education around career and family commitments. You can begin at anytime and study at a pace that best fits your lifestyle.

ENROLLMENT

CSU offers two convenient enrollment systems:

Per-Course/Open Enrollment (10 Week Courses)

The CSU Per-Course Enrollment System allows students to begin a course at any time. There are no predetermined semester or session dates. Students may take one course after another or multiple courses simultaneously.

Term Enrollment (8 Week Courses)

Students using Federal Financial Aid or VA Benefits must use the Term Enrollment System. Courses must be completed within 8-weeks, have set start and end dates, and are cohort based. All students in the course will start the course together and proceed through the course on the same timeline.

Students must submit discussion board postings and other assignments by the weekly due date. You can enroll in one or multiple courses during each eight week term.

For more information, please visit www.columbiasouthern.edu/admissions.

TEMPORARY STATUS

Even if we are still missing copies of the transcripts we need to complete your evaluation, you can enroll immediately under “Temporary” Admissions Status. As a “Temporary” student, you may complete up to 13 undergraduate credit hours or 7 graduate credit hours. Once all official transcripts are received and evaluated, an Application Evaluation Report will be issued and your status will be changed.

STUDENT RESOURCES

Online Library

Our Online Library provides a wide variety of information through full-text journal articles, select reference tools, over 30,000 full-text online books, and more. Available 24/7, the Ask an Online Librarian service answers your questions at any time. Your one-time library fee is \$20 for undergraduate and graduate level students, and \$50 for DBA students.

Student Forum

The CSU Student Forum serves as a reference tool enabling you to reach out to other students and alumni with questions you have concerning your program of study. You can also view previously posted questions and responses to find your answer.

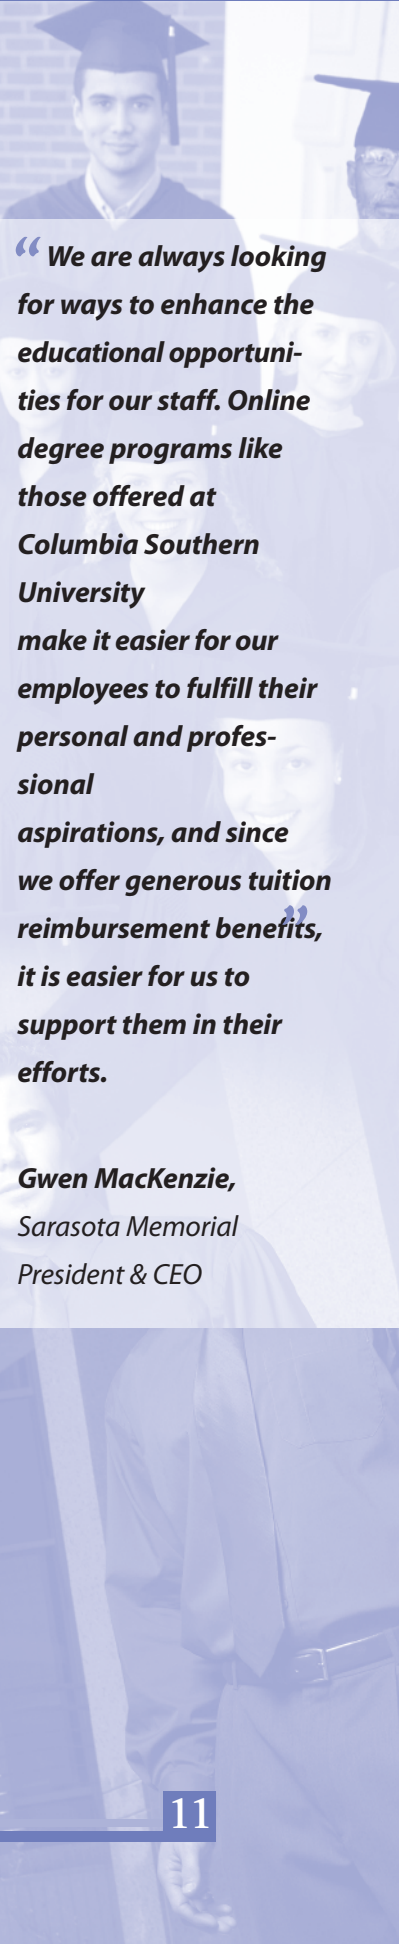

Chantell Cooley
VICE PRESIDENT OF
PARTNERSHIP DEVELOPMENT

Become a Partner. *Build a Future.*

Consider the advantages a more educated, qualified workforce can generate for your organization and ask your employer to join the list of CSU learning partners.

Benefits include:

- 10 % Tuition Discount
- Application Fee Waiver
- Spouses and children of employees are also eligible for these benefits.

“ We are always looking for ways to enhance the educational opportunities for our staff. Online degree programs like those offered at Columbia Southern University make it easier for our employees to fulfill their personal and professional aspirations, and since we offer generous tuition reimbursement benefits, it is easier for us to support them in their efforts.

Gwen MacKenzie,
*Sarasota Memorial

General Education

Our general education curriculum is designed to give students a broad spectrum of the classes offered at CSU. It provides a well-rounded education with classes ranging from technical writing to calculus.

General education courses may be taken simultaneously with program courses. Required general education courses can be completed through CSU, the CLEP examination, or transfer credit.

To meet the number of required electives for a degree program, any of the general education undergraduate 2000 or 3000 level courses can be used provided they are not included in the requirements of the degree program.

Be sure to visit www.columbiasouthern.edu/programs for the most current list of available courses.

Courses can be taken from Business Administration concentrations or any professional program area offered at CSU. Any course previously not taken can be utilized to satisfy this elective.

OTHER BUSINESS ADMINISTRATION CONCENTRATIONS

Business Administration Concentrations.....12

Concentrations enable students to specialize in a business related area.

This allows students to meet their educational goals and enhance their career opportunities. Students can add a specialization at any time prior to graduation, and must complete four of the courses listed for that specialization. The concentration(s) completed by the students are listed on the graduation diploma. For example, if you chose marketing as an area in which you wish to concentrate, your diploma would indicate that you earned a Bachelor of Science in Business Administration with a Concentration in Marketing.

BSBA Concentrations

Concentrations Include: Finance; Hospitality and Tourism; Human Resource Management; Information Technology; International Management; Management; Marketing; Project Management and Sport Management.

A concentration can be earned by taking a minimum of 4 courses in that concentration.

BSBA/FINANCE

All organizations, big or small, need people who are skilled in finance to ensure financial growth. Finance professionals make investments and oversee the financial planning of the companies they work for. Employed in a wide range of organizations, from banks to government agencies, graduates of this program will gain the skills they need to assist their organization in obtaining, administering, and managing funds wisely.

Course	Title	Credit Hours
BBA 2501	Microeconomics	3
BBA 2301	Principles of Accounting II **	3
BBA 4201	Financial Institutions	3
BBA 4301	International Finance	3
BBA 4351	International Economics	3
BBA 4446	International Legal Operations	3
BBA 4653	International Trade	3

BSBA/HOSPITALITY AND TOURISM

From organizing special events to managing food and beverage services, CSU can prepare you for a leadership role in the second largest industry in the U.S. – hospitality and tourism. The program is designed for individuals seeking entry into this profession, and those currently in the hospitality and tourism industry seeking the expertise and skills they need to succeed.

Course	Title	Credit Hours
BHM 3010	Introduction to Hospitality	3
BHM 3020	Introduction to Tourism	3
BHM 3890	Accounting for Hospitality & Tourism	3
BHM 4100	Facilities Management and Design in Hospitality & Tourism	3
BHM 4300	Legal Aspects of Hospitality & Tourism	3
BHM 4400	Resort Management & Operations	3
BHM 4680	Marketing for Hospitality & Tourism	3

BSBA/HUMAN RESOURCE MANAGEMENT

With a business degree from CSU with a concentration on human resource management, students will learn skills to help motivate and maximize the productivity of personnel. According to a recent report by the U.S. Bureau of Labor Statistics, specialized human resources managers can earn \$80,000 or more per year at specialized companies.

Course	Title	Credit Hours
BBA 2551	Intercultural Management	3
BHR 2551	Human Relations & Development	3
BHR 3301	Compensation and Benefits	3
BHR 3565	Employment Law	3
BHR 4350	Collective Bargaining	3
BHR 4501	International Human Resource Management	3
BHR 4601	Staffing Organizations	3

BSBA/INFORMATION TECHNOLOGY

A concentration in information technology provides students with an education on current technology systems and future learning systems. CSU bases its information technology program on three specialties: computer systems management, programming, and networking.

Course	Title	Credit Hours
ITC 3001	Personal Computer Fundamentals	3
ITC 3450	Introduction to Data Communications	3
ITC 4010	System Analysis and Design	3
ITC 4150	Database Design and Implementation	3
ITC 4210	Programming Concepts and Problem Solving I	3
ITC 4230	Programming Concepts and Problem Solving II**	3
ITC 4310	Web Design and Development	3

BSBA/INTERNATIONAL MANAGEMENT

This concentration on international management equips students to meet the business challenges of global competition and foreign markets. It is designed to enable managers and business leaders to focus on how a successful business is conducted on the global level.

Course	Title	Credit Hours
BBA 2551	Inter-Cultural Management	3
BBA 4653	International Trade	3
BBA 4301	International Finance	3
BBA 4351	International Economics	3
BBA 4426	International Management	3
BBA 4446	International Legal Operations	3
BHR 4501	International Human Resource Management	3

BSBA Concentrations

BSBA/MANAGEMENT

The management concentration emphasizes the development of leadership and decision making skills across multiple organizations. Students are exposed to a broad foundation of business communications and project production in the field of management studies.

<i>Course</i>	<i>Title</i>	<i>Credit Hours</i>
BBA 2026	Organizational Communications	3
BBA 3451	Organizational Theory & Behavior	3
BBA 3826	Managerial Decision Making	3
BBA 4126	Project Planning	3
BBA 4426	International Management	3
BHR 4601	Staffing Organizations	3
BBA 4851	Production Management	3
BBA 4951	Business Policy and Strategy	3

BSBA/MARKETING

Today's businesses need creative, highly educated marketing specialists who understand the changing global economy. Successful marketers anticipate consumer needs, translate those needs into products and services, and create campaigns to sell their products for a profit. The concentration in marketing that CSU offers guides students to develop the knowledge, analytical skills, and creativity needed to excel in this field.

<i>Course</i>	<i>Title</i>	<i>Credit Hours</i>
MAR 2251	Internet Marketing Principles	3
MAR 3211	Consumer Behavior	3
MAR 3231	Marketing Research	3
MAR 3271	Advertising	3
BHR 3565	Employment Law	3
MAR 4610	Strategic Marketing	3
MAR 4625	Direct Marketing	3

BSBA/PROJECT MANAGEMENT

This concentration is created for professionals who seek to enhance their ability to motivate people, complete complex projects, and achieve cost-effective results. Project managers are usually responsible for directing a project, ensuring that the project stays within the timeline, making sure the project is within budget, and solving any problems that may arise.

<i>Course</i>	<i>Title</i>	<i>Credit Hours</i>
BBA 2026	Organizational Communications	3
BBA 2926	Cost and Scheduling Basics	3
BBA 3626	Project Management Overview	3
BBA 3826	Managerial Decision Making	3
BBA 4126	Project Planning	3
BBA 4226	Risk Management	3
BBA 4326	Procurement & Contract Management	3

BSBA/SPORT MANAGEMENT

This concentration allows sports fans and athletes to become involved in managing sports. The classes and skills students develop in this field of study will prepare them for a job in sport management. Career opportunities include sport facilities managers, sport information directors, sport front office administrators, and sport communications directors.

<i>Course</i>	<i>Title</i>	<i>Credit Hours</i>
BSM 2701	Sociology of Sport	3
BSM 2801	Sport Public Relations & Promotions	3
BSM 3901	Sport Fund Raising	3
BSM 4001	Sport Facilities	3
BSM 4101	Sport Administration	3
BSM 4201	Sport Financing	3
BSM 4301	Sport Legal Liability & Risk Management	3

OTHER BUSINESS COURSES THAT CAN BE UTILIZED FOR ELECTIVES:

Any course not previously selected in the 3000–4000 level may be used to satisfy elective requirements.

INTERNSHIP—INT 4990 3-6 CREDIT HOURS

The Internship is an active learning course designed to apply and synthesize concepts and technical/clinical skills in a professional practical setting. The internship course is usually taken in the final year of the degree program. The setting for the internship is in an organization under the close supervision of organizational professionals and faculty supervisors. The organizational supervisor evaluates the intern from the practical perspective and the university supervisor evaluates the intern from the academic perspective. The Internship can be taken as a business administration professional elective or can be part of a concentration if the internship is with a concentration agency or organization.

**Each of these courses require a prerequisite. Please review the course descriptions and objectives for each course at www.columbiasouthern.edu/programs to determine the prerequisite requirement.

BS in Criminal Justice Administration

The demand for criminal justice professionals is high. Opportunities are abundant. According to the U.S. Census Bureau, a bachelor's degree can increase your earning potential by as much as 30 percent. The Bachelor of Science in Criminal Justice Administration is designed to prepare students for a career in the criminal justice field and equip law enforcement and corrections officers with the information they need for professional advancement. Study the historical background of our criminal justice system and learn about the rule of law while building your knowledge about theories, policies, and practices in your bachelor degree studies at CSU.

Industrialization and economic growth have left lasting marks of progress on the 20th Century. However, waste emissions have increased, nonrenewable resources have been depleted, and the earth's ecosystem has become more fragile. In response, an environmental and safety compliance industry has emerged. The Bachelor of Science in Environmental Management is designed to provide students with a comprehensive knowledge of topics and issues within the field of environmental science. This program explores cutting edge concepts of environmental technology and natural resource protection and use. Students will become familiar with the environmental mandates of the federal EPA and state agencies. Handling hazardous/solid waste and appropriate measures for minimizing air, soil and water pollution will also be covered.

Human resource management is a highly competitive field and is nearly impossible to break into without at least a bachelor's degree. This BS program prepares students with the knowledge and skills they need to become a human resource professional. According to the U.S. Bureau of Labor Statistics, human resource managers earn at least \$81,810 on average. The demand for human resource managers is expected to rise through 2014 with opportunities in local government, state government, and other corporations. This degree ranges from employment law to management principles, with programs that are designed to help students identify, analyze, and solve complex human resource issues.

Electives	24

Entry level marketing jobs often require a bachelor's degree. Successful marketing graduates project their consumers' needs, translate those needs into products and sell those products for a profit. The CSU marketing program explores major dimensions of the marketing environment including economic, social, cultural, political, legal and regulatory information. Classes range from marketing principles to e-commerce, giving students a comprehensive knowledge of the different aspects of marketing.

BS in Occupational Safety and Health

Occupational safety and health is the science and practice of anticipation, recognition, evaluation, and control of safety and health hazards arising from the work environment. Any aspect of health and safety in the workplace related to exposures associated with physical, biological, and chemical agents or conditions is included. The Bachelor of Science in Occupational Safety and Health addresses this wide variety of discipline-specific information, topics and resources. Many of the course materials and topics covered in this program will prepare students to eventually sit for the ASP and CSP certification examinations post graduation.

“The staff at CSU is absolutely outstanding and even that is an understatement. I am impressed and certainly proud to be a part of this fine institution.”

Brian Mocogni
MBA, Finance

CSU offers the opportunity to earn an Undergraduate, Advanced Undergraduate, and/or Graduate Certificate in numerous fields of study. Please see page 33 for more information.

In today’s competitive job market, an MBA can help propel your career towards a top management position. The results of a recent survey conducted by MBA.co.za revealed that 84 percent of top executives prefer job candidates with an advanced graduate degree. On average, MBA graduates also earn at least 50 percent more than those with bachelor’s degrees according to the U.S. Bureau of Labor Statistics.

Columbia Southern University offers a completely online MBA with 10 available concentrations: e-business, finance, health care management, human resource management, international management, marketing, project management, public administration, sport management, or hospitality and tourism. Our program will prepare you with the training and expertise you need to gain an edge in the ever evolving business climate.

Internship—INT 5990 3-6 Credit Hours

The Internship is an active learning course designed to apply and synthesize concepts and technical/clinical skills in a professional practical setting. The Internship course is usually taken in the final stages of the graduate degree program. The setting for the Internship is in an organization under the close supervision of organizational professionals and faculty supervisors. The organizational supervisor evaluates the intern from the practical perspective, and the university supervisor evaluates the intern from the academic perspective. Students within any business concentration may, with consent, substitute 1-2 courses within the concentration for participation in the internship experience.

“Don’t go where the path may lead, go instead where there is no path and leave a trail.”

Ralph Waldo Emerson

MS in Criminal Justice Administration

**Total Program Requirements
37 Credit Hours**

“ My CSU education has given me the tools I needed to take the next step in my career. From training new officers to disciplining personnel, I apply the knowledge and skills I’ve gained every day and in almost everything I do.”

Greg Duck

BS, Criminal Justice Administration, 2002

The MS in criminal justice administration is designed to provide post-baccalaureate education to criminal justice professionals. The primary goal of the program is to develop in graduates the ability to analyze, comprehend, and resolve the complex issues confronting the criminal justice system. Earning this degree can lead to careers in federal and state agencies, correctional agencies and institutions, educational and research organizations, and other professional career tracks within the justice system.

Master of Science in Criminal Justice Administration.....37

Columbia Southern University learning partners receive additional benefits. If you are a member of the National Sheriffs' Association or International Union of Police Associations—you, your spouse, and children qualify for a 10 percent tuition discount.

MS in Occupational Safety and Health

The Master of Science in Occupational Safety and Health is designed for mid-career environmental, health and safety professionals seeking to expand their management options across a wide range of manufacturing, consulting, governmental, or corporate interests. In both the public and private sector, the need for and benefits of environmental health protection and occupational safety and health are an everyday part of life. This program equips leaders, executives, and managers with the skills and knowledge necessary to create organizations that are environmentally and economically sustainable in our global marketplace.

With increases in consumption of global natural resources, businesses and governments are now dealing with a world-wide global economy that must address sensitive environmental, safety and health issues if we are to pass on a sustainable ecosystem to future generations. This degree program addresses those issues and concerns, along with exploring potential state-of-the-art resolutions to this dilemma.

Certificate Programs

At CSU, we recognize that there is a growing desire for focused training in a specialized field. To meet this need, CSU offers three levels of undergraduate/graduate certificate programs that help our students concentrate on specific aspects of the degree programs that we offer.

All certificate programs require successful completion of the CSU Student Orientation course and specific credit hour requirements. For more information, please visit our website.

CERTIFICATE TRANSFER INFORMATION

Students who complete an undergraduate/graduate certificate program through CSU may transfer those courses into a degree program with the corresponding concentration. Similarly, students enrolled in a degree program with a concentration, may transfer the concentration courses into the corresponding certificate program. The fee for processing this transfer and certificate is \$150. To request this transfer, you must complete the "Degree to Certificate Transfer Request" form on the CSU website.

If you request a transfer for a certificate program (four courses), you may continue to complete the remaining three courses of the concentration to qualify for an Advanced Certificate. A separate "Degree to Certificate Transfer Request" must be submitted for the Advanced Certificate.

No transfer credit is accepted into certificate programs. All courses must be completed as required by the certificate.

UNDERGRADUATE & ADVANCED UNDERGRADUATE CERTIFICATE PROGRAMS

Finance
Fire Science
Hospitality and Tourism
Human Resource Management
Information Technology
International Management
Management
Marketing
Project Management
Sport Management

Undergraduate certificate programs require the completion of four courses within one undergraduate concentration area.

Advanced undergraduate certificate programs require the completion of seven courses within one undergraduate concentration area.

GRADUATE CERTIFICATE PROGRAMS

Complete four courses within one graduate concentration area.

Environmental Management
Finance
Health Care Management
Hospitality and Tourism
Human Resource Management
International Management
Marketing
Project Management
Public Administration
Sport Management

OTHER CERTIFICATES

CSU also offers a Certificate in Industrial Hygiene Management (CIHM). Visit our website for more details.

“ Success means having the courage, the determination, and the will to become the person you believe you were meant to be.”

George Sheehan

University Partners

At CSU, we are committed to providing our students with resources that will enhance their educational experience. Our partnerships with the following universities help us fulfill this commitment by offering CSU students a larger selection of degree programs to choose from. To view a complete list of partners, please visit www.columbiasouthern.edu/alliances.

Please attach a copy of your high school diploma and college transcripts. (copies will suffice for evaluative purposes). *Note: If faxing transcripts, please fax both sides.*

Name of **HIGH SCHOOL** _____ Year Graduated _____

If you are not a high school graduate, you must have earned a GED. Date Received: ____/____/____

COLLEGE EDUCATION

College/University Name	Date Graduated	Degree Earned	Concentration	Credits Earned

- I am active military and would like to receive information on using Tuition Assistance or DANTES benefits.
- I am a Veteran and would like to receive information on using VA benefits.
- I have previously used my VA benefits.
- I am planning to use Federal Financial Aid.
- I've already submitted my FAFSA with the CSU school code of 041215.

4. ACADEMIC TRANSCRIPTS REQUESTED

If you do not have copies of academic transcripts from the university(s) you have attended, you will need to request that these official transcripts be forwarded to CSU. In the box below, please indicate which schools will be sending us official transcripts. Once we receive these transcripts we will complete your evaluation.

University/ College Name	Your name as it will appear on transcript

PROFESSIONAL LICENSES, CERTIFICATIONS, AND TRAINING PROGRAMS

CSU uses the guidelines established by ACE (American Council on Education) to determine if certain professional licenses, certificates, training programs, and military training warrant the awarding of academic credit. Submit all professional licenses and/or certifications that have listed the number of CEU's awarded and/or classroom contact hours.

Name of Certificate, License, or Training Program	Documentation	Attached (Yes/No)
	Date Completed	
<i>Please list additional Professional Licenses, Certifications, and Training Programs on a separate paper.</i>		

5. I certify that to the best of my knowledge the information provided in this application is accurate and complete. I understand that if this information or any other information upon which my admission is based is found to be inaccurate or incomplete, the school may rescind my degree. If I am approved for admission and decide to enroll at Columbia Southern University, I agree to abide by the rules and regulations of the University as contained in the University Catalogue. I acknowledge that all official transcripts that I submit to the school will become the property of the University and will not be forwarded to another institution or returned to me.

Applicant Signature

Date

6. APPLICATION SUBMISSION

Please forward your completed application along with all necessary documents and your application fee to:
CSU, Admissions Department • P.O. Box 3110 • 25326 Canal Road • Orange Beach, AL 36561

ADMISSIONS STATUS OPTION (Select One):

- I wish to enroll in courses immediately after submitting my application.** I understand my Admission Status will be "Temporary" pending the completion of my transfer credit evaluation. I further understand while on "Temporary" status, I am responsible for only enrolling in courses that I will not be transferring to CSU and that meet the requirements of my selected program. Once all transcripts are received and evaluated, an Application Evaluation Report will be issued and my status changed to "Conditional." After all official transcripts have been received, my status will change to "Accepted." I will not be allowed to complete more than 13 credit hours undergraduate or 7 credit hours graduate until my Admission Status is "Accepted." I have read the Admission Status Policy, CSU Admission Requirements, Transfer Credit Policy and I meet the requirements for the program I am enrolling.
- I wish to wait on enrolling in courses until my Application Evaluation Report is completed** so that I will know what transfer credit CSU has accepted and what courses are required before I begin my degree program with CSU.

Application Fee: \$25.00 domestic; \$50.00 foreign.
