* CSU Course Equivalency Notes:

- “LD” denotes lower-division credit, and “UD” denotes upper-division credit.
- A UPI Study, Inc. transcript is required to determine credit eligibility.
- Transfer credit will be awarded based on the ACE and the NCCRS college credit recommendations at the time of completion, CSU degree requirements at the time of enrollment, current transfer credit policy, and applicability to the student’s degree plan, all of which are subject to change.
- If ACE and NCCRS credit recommendations differ for the same course, ACE will take precedence.
- A minimum of 3 credit hours is required for transfer into any CSU degree category, except Open Electives. Surplus credits (4+ hours) may apply to Open Electives, if applicable.
- A minimum passing score of 70% must be met for transfer credit eligibility.
- Certain UPI Study, Inc. courses may qualify as Program Electives in select CSU degree programs.

** UPI Study, Inc. courses in general education areas, such as Math or Natural Sciences, may not transfer as shown if the selected CSU program requires specific courses in those areas; however, they may still be applied as Open Electives, where applicable.
