*** Course Equivalency Notes:**

- Only the most advanced EMS certification will be considered for transfer to CSU degree program.
- State or NREMT license must be submitted for possible transfer credit to undergraduate CSU degree programs.
- Admission to the Associate of Science in Emergency Medical Services degree program and possible paramedic transfer credit to the Paramedic Core category will be considered with an active state or NREMT Paramedic license.
- Credit awarded is subject to degree requirements at the time of enrollment and current transfer credit policy, which are subject to change.
