| Fire Service Course Design                                     | 45                        | Fire Science Program Electives                                                    | 3                        |
| Firefighting Tactics and Strategies I                          | 45                        | FIR 3312 Fire Ground Tactics I                                                    | 3                        |
| Firefighting Tactics and Strategies II                         | 45                        | Fire Science Program Electives                                                    | 3                        |
| Florida Health and Safety Officer                              | 45                        | Fire Science Program Electives                                                    | 3                        |

|                                                             |    |                                                                               |   |
|-------------------------------------------------------------|----|-------------------------------------------------------------------------------|---|
| Florida Incident Safety Officer                             | 45 | Fire Science Program Electives                                                | 3 |
| Florida Training Manager or Fire Service Program Management | 24 | Fire Science Program Electives                                                | 1 |
| Legal Issues for the Safety Officer                         | 45 | Fire Science Program Electives                                                | 3 |
| Personnel Management for the Fire and Emergency Services    | 45 | FIR 4302 Fire Service Personnel Management                                    | 3 |
| Private Fire Protection Systems I                           | 45 | FIR 3305 Fire Protection Structure and Systems                                | 3 |
| Private Fire Protection Systems II                          | 45 | Fire Science Program Electives                                                | 3 |
| Quantitative Analysis                                       | 45 | FIR 4308 Applications in Fire Research<br><u>or</u><br>Fire Program Electives | 3 |
| State-wide Emergency Response Plan (SERP)                   | 6  | No Credit                                                                     | - |
| Strategic Planning                                          | 60 | Fire Science Program Electives                                                | 3 |

\* Course Equivalency/General Notes:

- Program Elective application is dependent upon program director approval and is only possible in multiples of three semester hours.
- Individual certificates or training institute log must be submitted for eligible credit.
- Credit awarded is subject to degree requirements at the time of enrollment, current transfer credit policy, and applicability to the student's degree plan, all of which are subject to change.
